Continue to Lake Nakuru National Park. Afternoon game drive: the flamingo-pink lake shores, white rhino sanctuary areas and the acacia and euphorbia forest belt. Sundowner at Baboon Cliff with sweeping views.

Day 2: Full Day at Lake Nakuru

A full day exploring the park. Morning drive to the southern lake shore where flamingos gather in their thousands, turning the water pink — a truly surreal spectacle. Day 3: Return via Lake Naivasha or direct to Nairobi
